To Whom It May Concern:

K-Love radio station 91.9FM serves me and others greatly in our local community. It provides Contemporary Christian music and great Christian messages to areas that may not have a local station as such. K-Love provides good, clean messages for people of all ages 24 hours a day. If K-Love is displaced by an LPFM broadcaster, the Christian messages would not be able to be heard or spread as it is currently being done. The wholesome values that K-Love supports is a necessity in every community. It is uplifting to listen to and the positive feedback that they get definitely supports the fact that it will be greatly missed if they are taken off of the air.

Sincerely,

Sharon Crews
